INDEPENDENT AUDITOR'S REPORT

To the City Council
City of Hobart, Oklahoma

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Hobart, Oklahoma, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprises the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, and the aggregate remaining fund information of the City of Hobart, Oklahoma, as of and for the year ended June 30, 2022, and the cash flows of its business-type activities for the year ended on the basis of accounting described in Note A2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted the audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (Government Auditing Standards). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to the audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for 12 months after the date of the financial statements and no conditions were found that raise substantial doubt.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, I: a) exercised professional judgement and maintained professional skepticism throughout the audit, b) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements, c) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed, d) evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements, e) conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time, and f) required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Reporting Requirements by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 7, 2023, on our consideration of the City of Hobart, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Other Matters and Information

The accounting principles generally accepted in the United States of America require management's discussion and analysis and budgetary comparison information on pages 7, 11, 17, and 21 through 34 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The accompanying schedule of expenditures of federal and state awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and is also not a required part of the financial statements. The combining and individual nonmajor fund financial statements and the schedule of expenditures of federal and state awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Hobart, Oklahoma's basic financial statements. The introductory section, combining and individual fund financial statements, and statistical tables are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The introductory section and statistical tables have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

CITY OF HOBART, OKLAHOMA
Management's Discussions and Analysis
For the Year Ended June 30, 2022

Executive Summary

The management of the City of Hobart is pleased to provide this annual financial report to its citizens, taxpayers, and other report users to demonstrate its accountability and communicate the City's financial condition and activities as of and for the year ended June 30, 2021. Management of the City is responsible for the fair presentation of this annual report, for maintaining appropriate internal controls over financial reporting, and for complying with applicable laws, regulations, and provisions of grants and contracts. The City reports its financial statement and schedules on a modified cash basis which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. All of the financial analyses in this report must be considered within the context of the limitations of the modified cash basis of accounting.

The Past Year

For the year ended June 30, 2022, the following financial highlights are considered noteworthy by the management:

- The City's General Fund ended the year with an unrestricted fund balance of \$1,260,523 which represents 75.3% of annual General Fund revenues.
- The City had an increase during the fiscal year 2022 in cash and investments in the amount of \$786,879.
- Total sales tax revenue collections amounted to \$1,366,522 which is a decrease from 2021 by \$2,561 and there was a sales tax revenue increase of \$52,621 from the previous year. This translates into a decrease in taxable sales of \$64,025.
- The City's business-type activities (PWA) increased its long-term debt by 9.0% or \$527,941 during the fiscal year 2022.
- The City invested \$1,180,246 in capital assets during the fiscal year 2022 with funds received through grants of \$307,540 for capital assets.

The Upcoming Year

- For the upcoming fiscal year ending June 30, 2023, the City's adopted budget is fairly consistent with the 2022 budget. The General Fund budget required the use of fund balance to balance the budget.

Using This Annual Report

This annual report is presented in a format that substantially meets the presentation requirements of the Government Accounting Standards Board (GASB) in accordance with generally accepted accounting principles as applicable to the modified cash basis of accounting. It represents a presentation that communicates the City's financial condition and changes therein at two distinct levels:

- **The City as a Whole** (a government-wide presentation)
- **The City's Funds** (a presentation of the City's governmental funds)

CITY OF HOBART, OKLAHOMA
Management's Discussions and Analysis – (Continued)
For the Year Ended June 30, 2022

Using This Annual Report - Continued

The City's various government-wide and fund financial statements are presented throughout this annual report and are accompanied by:

- **Management's Discussion and Analysis** – that provides useful analysis that facilitates a better understanding of the City's financial condition as well as highlights important information.
- **Footnotes** – that elaborate on the City's accounting principles used in the preparation of the financial statements and further explains financial statement elements and data.
- **Supplemental Schedules** – that provide additional information about specified elements of the financial statements, such as budgetary comparisons, capital assets, investments, and long-term debt.

About the City

The City of Hobart is an incorporated municipality with a population of approximately 2,700 people located in southwest Oklahoma and the county seat of Kiowa County. The City has adopted the Council/Manager form of government and operates under a home-rule charter that provides for three branches of government: Legislative, Executive, and Judicial.

The City provides typical municipal services such as public safety, street and alley maintenance, park and recreation, community development, and utility services including water, wastewater, and sanitation.

This annual report includes all activities for which the City Board is fiscally responsible. These activities, defined as the City's financial reporting entity, are operated within separate legal entities that make up the primary government and another separate legal entity that is included as a component unit. The entities are:

- **The City of Hobart (General Funds)** – that operate the public safety, streets, health and welfare, culture and recreation, and administrative activities.
- **The Hobart Public Works Authority** – that operates the water, wastewater, and sanitation services of the City.
- **Hobart Economic Development Authority (component unit)** – that provides economic development within the City.
- **Hobart Recreation Authority (component unit)** – that provides recreation through a golf course and banquet facilities.

Contacting City Management

This report is designed to provide the City's citizens, taxpayers, customers, and creditors with a general overview of the City's finances and to demonstrate the City's accountability for the finances it receives. If you have any questions about this report or need additional information, please contact the City as follows: Office of City Clerk, 113 East 3rd Street, P.O. CITY OF HOBART, OKLAHOMA
Management's Discussions and Analysis –Government-Wide
For the Year Ended June 30, 2022

The Statement of Net Assets and the Statement of Activities and Fund Balance report information about the City as a whole and about its activities as of June 30 and for the year ending. The statements are prepared using the modified cash basis of accounting that is not in accordance with generally accepted accounting principles in the United States. The statements don't reflect activities that have not been appropriated and finances that have not been received as of the end of the fiscal year. The statements reflect the capital assets net of depreciation and depreciation expense rather than the cash method for the general fund.

Level of Unrestricted Fund Balance

As a result of the activities of fiscal year 2021, the unrestricted fund balance of the government-wide funds has increased by \$561,082. The percentage of unrestricted balance to revenues is 61.3%. The amount of unrestricted fund balance in the governmental funds increased by \$114,082, proprietary unrestricted fund balance increased by \$394,252, and component units increased by \$52,748.

Net Changes in Net Position

The Statement of Activities reflects a net increase in Net Position of \$724,024 for 2022.

Direct Control Revenues

The City of Hobart has a relatively high dependence on tax revenues like most small cities in Oklahoma. The City's percentage of tax revenues to total revenues was 31.8%. This does indicate a moderate level of exposure to financial difficulties due to the significant reliance on taxes. Fortunately, the current year saw an increase in the amount of taxes collected of \$27,080. Use tax recorded an increase of \$30,822, sales tax decreased by \$2,561, and Motor vehicle tax had an increase of \$10,062.

Net Changes in Cash and Investments

The City had an increase during the fiscal year 2022 in cash and investments in the amount of \$765,049 or an increase of 22.8%. The City had an increase in its cash and investments of \$99,512 in the previous year.

Employee Wages and Benefits

The City paid wages of \$1,411,682 which was an increase of \$118,034 or 8.3% from the previous year. The City paid health insurance benefits of \$201,199, Social Security and Medicare tax of \$68,777, and retirement benefits of \$135,080 for a total of wages and benefits of \$1,816,738.

CITY OF HOBART, OKLAHOMA
Footnotes to the Statements of Net Assets & Activities
For the Year Ended June 30, 2022

- A1. The City of Hobart, Oklahoma's financial reporting entity includes the primary government, and public works. Hobart Economic Development Authority, Hobart Industrial Development Authority, Hobart Recreation Authority and Hobart Education Facilities are the component units.
- A2. The statements of net assets and activities are reported on a modified cash basis of accounting. This modified cash basis of accounting is based on the recording of cash and cash equivalents and changes therein, and only recognizes revenues, expenses, assets, and liabilities resulting from cash transactions adjusted for modifications that have substantial support in generally accepted accounting principles. These modifications include adjustments for the following balances arising from cash transactions:
- capital assets and the depreciation of those assets, where applicable
 - long-term debt
 - cash-based inter-fund receivables and payables
 - investments
 - utility deposit liabilities

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues and certain liabilities and their related expenses are not recorded in these financial statements.

For business-type activities, Financial Accounting Standard Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, have been applied as they apply to the modified cash basis, unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails.

The City has implemented the accounting and financial reporting provisions of GASB Statement No. 34, *Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments*.

- A3. Cash and cash equivalents include all demand and savings accounts, certificates of deposit or short-term investments with an original maturity of three months or less.
- A4. Investments consist of long-term certificates of deposit and are reported at cost.
- A5. Capital assets are reported when they result from cash transactions and are net of accumulated depreciation where applicable.
- A6. Long-term debt is reported when the debt arises from a cash transaction.
- A7. Fund balance or net assets are displayed in three components:
- a. *Invested in capital assets, net of related debt* – consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
 - b. *Restricted net assets* – consists of net assets with constraints placed on the use either by an external group such as creditors, grantors, contributors, or laws and regulations of other governments, or by law through constitutional provisions or enabling legislation.
 - c. *Unrestricted net assets* – all other net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt".

CITY OF HOBART, OKLAHOMA
Footnotes to the Statements of Net Assets & Activities - Continued
For the Year Ended June 30, 2022

A8. The City is a party to various legal proceedings which normally occur in the course of government operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these proceedings. State statutes provide for the levy of ad valorem taxes over a three-year period by a City Sinking Fund for the payment of any court assessed judgment rendered against the City. While the outcome of the above noted proceedings cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

A9. The City's policy is to eliminate inter-fund receivables and payables between funds in the statement of net position to avoid the grossing up of balances.

A10. The evaluation of the subsequent events of the City have been evaluated through December 31, 2022.

Management's Discussion and Analysis on the Governmental Funds:

The fund financial statements provide detailed information about the City's most significant funds – not the City as a whole. Some funds are required to be established by State law and by debt covenants. However, the City Council may also establish certain other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money. The City's governmental funds are reported under the modified-cash basis of accounting as described in footnote A2.

Total sales tax revenue collections amounted to \$1,366,522 which is a decrease from 2021 by \$2,561 and there was a sales tax revenue increase of \$52,621 in the previous year. This translates into a decrease in taxable sales of \$64,025.

The City's governmental funds revenues increased by \$283,954, which was attributed mainly to an increase of grant revenues from Cares Act and insurance reimbursements.

The City's governmental funds capital assets increased by \$89,046 with a majority for equipment. Depreciation amounted to \$342,642 for the year.

The cash and investments of the governmental funds increased by \$347,188 with the General Fund increasing by \$52,237, Ltd. Purpose increasing by \$284,553, and Other Government Funds increasing by \$10,398.

The City expenses for the governmental funds excluding capital outlay increased by \$224,627. General government increased \$127,504 public safety increased \$69,267, culture & recreation decreased \$4,074, health & welfare decreased \$1,046, and airport increased \$32,976.

The City's governmental funds had an increase in unreserved fund balance of \$114,082.

The City's governmental funds disbursed \$70,233 more in transfers than received from other funds during 2022 while the General fund received \$79,167 in transfers from other funds.

CITY OF HOBART, OKLAHOMA
Footnotes to Governmental Funds Financial Statements
For the Year Ended June 30, 2022

B1. The City's governmental funds are comprised of the following funds:

Major Funds:

- General Fund – accounts for all activities of administering and maintaining the City
- Limited Purpose Sales Tax Fund – accounts for certain sales tax revenues legally restricted for street improvements, sanitation costs, ambulance costs, and equipment purchases.

Non-Major Funds:

- Cemetery Care Fund – accounts for 12.5% of cemetery revenue restricted by State law for cemetery capital improvements.
- Cemetery Trust Fund – accounts for specific cemetery donations which are restricted for cemetery use only.
- Library Cash Fund – accounts for all library revenues restricted for library use only.
- 911 Fund – accounts for the City's share of E-911 customer assessment that is legally restricted for improvements to the system.
- Municipal Airport Fund – accounts for certain revenues and expenditures on the airport.
- Seed Money Fund – accounts for funds set aside to make improvements and fund projects.

- B2. The governmental funds are reported on a modified cash basis of accounting, as described in footnote A2, and current financial resources measurement focus. Only current financial assets and liabilities are generally included on the fund balance sheet or statement of net position. The statement of activities present sources and uses of available spendable financial resources during a given period. These fund financial statements use fund balance or net position as their measure of available spendable financial resources at the end of the period.
- B3. Sales tax revenues represents a four (4) cent local tax on each dollar of taxable sales within the City. Three (3) cents is deposited into the General Fund and one (1) cent is deposited into the Limited Purpose Sales Tax Fund. The sales tax in the Limited Purpose Sales Tax Fund is legally restricted at one-half a cent for solid waste, one-fourth for ambulance, and one-fourth for capital outlay.
- B4. The City presently levies no property tax. In accordance with state law, a municipality may only levy a property tax to retire general obligation debt approved by the voters or to pay judgments rendered against the City.
- B5. As a result of the City's use of the modified cash basis of accounting, accrued liabilities related to compensated absences and compensatory time earned but unpaid at year end, and any employer-related costs earned and unpaid, are not reflected in the financial statements.

CITY OF HOBART, OKLAHOMA
Management's Discussions and Analysis –Proprietary Funds
For the Year Ended June 30, 2022

The proprietary funds consist primarily of the Utilities Authority, known as the Public Works Authority, generally receives funds through the services of providing the different utilities to the customers of the City. The proprietary funds are reported on the modified cash basis of accounting and an economic resources measurement focus. For example, the proprietary fund capital assets are capitalized and depreciated as well as principal payments on long-term debt are recorded as a reduction of the liability rather than as an expenditure.

For the year ended June 30, 2022, the proprietary funds reported operating income on a modified cash basis, before inter-fund transfers, interest, and depreciation, of \$751,302. The current annual note payments are \$505,772 which indicated an ability to make its payments from its revenues without inter-fund transfers. This indicates that in fiscal year 2022, the rates charged for utility services were sufficient to fund the combined costs of operation of all utilities without decreasing expenditures, however, some larger improvements are being made while additional loan proceeds of \$7,954,173 are available. The change in net position increased from 2021 by \$181,721 with net transfers to other funds of \$87,500.

The City's management intends for its revenue-pledged debt to be repaid by utility resources derived from utility rate changes. As a goal, City management desires to maintain net revenues from utility operations sufficient to meet the principal and interest payments on long-term debt by 1.25 times while 2022 shows net revenues before interest and depreciation of 1.5 times. This represents a debt service coverage that is above Oklahoma Water Resources Board's and management's desired minimum.

The City's proprietary funds increased its long-term debt by 9.0% during the year ending June 30, 2022 or an increase of \$527,941. There were new loan proceeds during the year of \$2,995,155 for water improvement projects, and paid all other loans of \$2,467,214. Interest of \$287,807 on new note was capitalized as part of the construction cost of the water improvement project.

The operating and other revenues, excluding grants, of the proprietary fund increased by \$30,731 or 1.2%. Water sales increased by \$10,172 while sanitation revenues increased \$14,187 from the previous year. The amount collected from the Rocky Line Rehab fee amounted to \$336,192.

The cash and investments of the proprietary funds increased by \$385,199.

The City's proprietary funds operating expenditures excluding depreciation increased by \$39,885.

The City's proprietary funds spent \$1,074,101 in capital assets during the year.

Footnotes to Proprietary Funds Financial Statements
For the Year Ended June 30, 2022

- C1. The proprietary funds are reported on a modified cash basis, as defined in footnote A2, and economic resources measurement focus. Financial Accounting Standard Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, have been applied as applicable to the modified cash basis of accounting, unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails.
- C2. For the purpose of the cash flow statement, cash and cash equivalents includes all demand and savings accounts and sweep accounts.
- C3. As a result of the City's use of the modified cash basis of accounting, accrued liabilities related to compensated absences and compensatory time earned but unpaid at year end, and any employer-related costs earned and unpaid, are not reflected in the financial statements.
- C4. Long-term debt of the proprietary funds consisted of the following:

	<u>Balance</u>	<u>Current Portion</u>	<u>Interest Rate</u>	<u>Maturity Date</u>	<u>Annual Payments</u>

Management's Discussion and Analysis on the Budgetary Results:

The General Fund reported actual budgetary basis revenues before transfers above final estimates by \$204,254 or a 13.9% positive variance. General Fund actual expenditures were less than final appropriations by \$111,166 or a 6.1% favorable variance excluding capital outlay. For the year ended June 30, 2022, budgetary fund balance increased by \$2,652 leaving a balance of \$831,440, or 45.9% of appropriations.

This represents a good level of reserves and above the 30% desired level by management.

Footnotes to the Schedule of Capital Assets:

F1. Capital assets are reported at actual or estimated historical cost at the time of the cash transaction. Estimated historical cost was used to value the majority of the assets acquired prior to July 1, 1996. Prior to July 1, 2003, governmental funds' infrastructure assets, such as streets, drainage systems, and traffic signal systems were not being capitalized. Infrastructure assets acquired since July 1, 2003 are recorded at cost.

F2. Depreciable capital assets are depreciated on a straight-line basis over their estimated useful life. A capitalization threshold of \$500 is used to report capital assets. The range of estimated useful lives by type of assets is as follows:

Buildings	30-50 years
Improvements other than buildings	10-25 years
Machinery, furniture and equipment	3-20 years
Utility property and improvements	10-50 years
Infrastructure	5-50 years

Footnotes to Schedule of Retirement Plan Contributions:

G1. Since July 1, 1994, the City has provided a defined contribution plan and trust known as the City of Hobart Plan and Trust ("the Plan") in the form of the Oklahoma Municipal Retirement System Master Defined Contribution Plan (OMRF). The defined contribution plan is available to all full-time employees except those participating in the state fire or police pensions. After 6 months, full-time employees can participate and contribute to the Plan up to 5% upon their option. The contribution rate of the City's participation is presently 10%.

The OMRF System issues a publicly available financial report that includes financial statements and required supplemental information. That report may be obtained by writing to OMRF, P.O. Box 25848, Oklahoma City, OK 73125 or by calling 1-888-394-6673.

G2. Pursuant to the requirements of Title 11, section 22-102, the City of Hobart participates in the statewide cost-sharing multi-employer defined benefit plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). The paid police person contributes 8% to the plan and the City is required by state law to contribute 13% per year per paid police person to the statewide plan. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary.

The OPPRS issues a publicly available report that includes financial statements, which can be obtained from the Oklahoma Police Pension and Retirement System, 1001 N.W. 63rd Street, Oklahoma City, OK 73116-7335.

G3. Pursuant to the requirements of Title 11, section 22-102, the City of Hobart participates in the statewide cost sharing multi-employer defined benefit plan administered by the Oklahoma Firefighters Pension Board on behalf of both paid and volunteer firefighters. The paid firefighter contributes 8% to the plan. The City is required by state law to contribute 13% per year per paid firefighter to the statewide plan. The plan is funded by contributions from the participant, employers, insurance premium taxes, and state appropriations, as necessary.

A copy of the Firefighters Statewide Pension Plan financial statements can be obtained from the Oklahoma Firefighters Pension System, 4545 Lincoln Blvd. Suite 263, Oklahoma City, OK 73105-3707.

CITY OF HOBART, OKLAHOMA
Management's Discussions and Analysis – Internal Control and Compliance
For the Year Ended June 30, 2022

Management of the City is responsible for maintaining appropriate internal controls over financial reporting, to safeguard City assets and resources, to prevent and detect fraud, and for complying with applicable laws, regulations, and provisions of grants and contracts. As a part of the City's financial statement audit, the external auditor performed limited work in understanding the City's internal controls and testing compliance with certain financial-related requirements. The auditor's report on internal controls and compliance for the fiscal year ended June 30, 2022, follows along with the findings and recommendations made by the auditors. Management's response to any recommendation and planned corrective action are also included if any are required.

Management did make changes to the policies in the personnel handling cash, location of cash, personnel taking the deposits to the bank, and management reconciling bank statements.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the City Council
City of Hobart, Oklahoma

We have audited the accompanying financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City of Hobart, Oklahoma, as of and for the year ended June 30, 2022, which collectively comprises the City's basic financial statements and have issued our report thereon dated June 7, 2023.

Internal Control over Financial Reporting

In planning and performing our audit, we considered City of Hobart, Oklahoma's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of City of Hobart, Oklahoma's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Report of Compliance and Internal Control over Financial Reporting - Continued

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Hobart, Oklahoma's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

However, we noted certain matters that we reported to management of the City of Hobart, in a separate letter dated June 7, 2023.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
